

General Consent for Full and Limited Queries of the Federal Motor Carrier Safety Administration (FMCSA) Drug and Alcohol Clearinghouse

I, _____, hereby provide consent to Local 49 Training to conduct a full or limited query of the FMCSA Commercial Driver's License Drug and Alcohol Clearinghouse to determine whether drug or alcohol violation information about me exists in the Clearinghouse.

I, _____, give Local 49 Training permission to use this consent for the necessary queries to be done during the time of my CDL Training with Local 49 Training.

I understand that if the pre-employment or limited query indicates that drug or alcohol violation information about me exists in the Clearinghouse, FMCSA will not disclose that information to Local 49 Training without first obtaining additional specific consent from me.

I further understand that if I refuse to provide consent for Local 49 Training to conduct a pre-employment or limited query of the Clearinghouse, Local 49 Training must prohibit me from performing safety-sensitive functions, including driving a commercial motor vehicle, as required by FMCSA's drug and alcohol program regulations.
